

17 June 1971

MEMORANDUM FOR THE RECORD

SUBJECT: Noncompetitive Appointment of Agency Employees to
Positions in the Competitive Service

1. Mr. Stan Berg telephoned me this afternoon saying that he understood that a definite appointment for a briefing had been made for 9:30 a.m. on Thursday, 24 June 1971. I agreed and told him that I had planned to call the first of next week to discuss arrangements for meeting Mr. Berg and the other two members of the CSC "team". I asked Mr. Berg if he knew how to get to our Headquarters building. Mr. Berg did not respond directly but asked whether we had any transportation we could provide the team or perhaps a shuttle service which might be available to them. Mr. Berg said that neither he nor Mr. Wolk would be driving their cars to work on the 24th.

2. I told Mr. Berg I thought we could probably arrange transportation and agreed to call him back to verify such arrangements.

3. Mr. Berg then asked whether we had any printed materials which the team might review prior to our appointment. I repeated as I had told Mr. Leich that our regulations are classified and that we would prefer to arrange for the team to see pertinent published materials following the briefing on 24 June. Mr. Berg said this was quite agreeable.

5. Later, [] agreed to arrange for a car to pick up the CSC team at the front entrance of CSC Headquarters, 1900 E Street, N.W. at 9:00 a.m. on Thursday, 24 June. He will also arrange a car to return them, leaving our Headquarters building at about 11:45 a.m.

6. Later I telephoned Mr. Stan Berg at the CSC to tell him an Agency car would pick up the CSC team at the curb on the E Street entrance at 9:00 a.m. on 24 June and that an Agency car would return the team to the Commission leaving our Headquarters at about 11:45 a.m. I explained that we had hoped it might be possible to arrange lunch, but that [REDACTED] 5X1A9A was scheduled for an Honor Awards ceremony and that one of the other principle briefers also had a scheduled conflict. Mr. Berg agreed indicating that he "hoped" this would allow sufficient time. I told him I believed that it would but if it proved not so we could make other arrangements later.
